

Scholarship Applicant Bio

Applicant Name:

The following information is required. Applicants can provide the information below or on an attached sheet. The applicant may provide additional supporting documentation that the applicant believes will assist the committee in their evaluation of the complete application package. Please type, print, or write clearly.

1. Professional Procurement Goals – Applicant shall submit information that lists their goals in the procurement profession

2. Training – Applicant shall state how the training they are applying for will help them to obtain their professional development goals.

3. Contributions to the Procurement Profession and/or Chapter – Applicant shall provide information that shows contributions and service the individual has made to the procurement profession and/or MPPOA.

The Scholarship Committee will review your application. The Scholarship Committee Administrator will notify applicant in writing of the Scholarship Committee's decision. The Chapter will not issue payments directly to members unless prior authorization has been approved for reimbursement requests. Members must provide registration information.
